Dear Pat

I've missed you in school this year. I wish you would have stayed in and we could graduated Together. We've had lots of fun these last few years in & out of school. You've been a wonderful friend. I couldn't ask for a better one. I hope we shall remain friends for a long time.

The best of everything for one of the best.

Loads of luck in future years.

your friend

Love

Nancy

Whatever 1951 and the new half-century
may bring, we may be sure that there will
be a need for self-controlled young people of
high courage and ambition — boys and girls
of ideas and ideals, able and eager to make
their lives count for good, in their homes
and neighborhoods, and in this troubled world.
We have confidence that the Charlotte
graduates of '51 will do their full part.

MR. WILLIAM J. MILLER

IN APPRECIATION

William J. Miller came to Charlotte High School in 1931. Since then, he has been teacher, friend, and adviser to the classes that have come and gone.

He was graduated in 1922 from Port Allegany High School in Pennsylvania. He received his Bachelor of Arts Degree in 1931 from the University of Rochester and earned his Master of Arts Degree in 1937.

Mr. Miller began teaching at Charlotte in the English Department. Because of his interest in national and international affairs, he soon transferred to the Social Studies Department.

Before entering the teaching profession he had been a newspaper reporter. He has his own printing press and still retains his interest in journalism as a hobby.

To you, Mr. William J. Miller, the class of June, 1951, dedicates this issue of "The Witan".
